4. Register JMD Account

The screenshot displays the JMD Handy Baby client V4.5.3 interface. At the top, a green navigation bar contains icons for HOME PAGE, REGISTER, KEY MAKER, FIRMWAER UPGRADE, 72 83 70 42 DECODE, 96bit 48 DECODE, 96bit AUTHORIZ, and MORE. The text "(Not logged in, click login)" is visible in the top right, along with "English" and "Connect" options. Below the navigation bar, the main interface shows a "Logon JMD" dialog box. This dialog box has a green header with a close button (X) and contains the following elements:

- Input fields for "E-mail|Account" and "Password:".
- A green "Sign in" button.
- Radio buttons for "phoneNumber :" and "E-mail|Account", with "E-mail|Account" selected.
- A blue "Forget the password" button.
- A red-bordered "Registration" button.

The background interface is dimmed and shows a red handheld device on the left, a "Handy-Baby II V2.26" status bar at the bottom left with SN: 436225792-189811533-1379021856 and 322E3330-02, and various status indicators at the bottom right including "not opened", "96bit 48 DECODE", "96bit AUTHORIZED", and "Extra Functions".

5.Fill in registration information

The image shows the JMD Handy Baby client V4.5.3 software interface. A green dialog box titled "Registered account" is overlaid on the main screen. The dialog box contains the following fields and options:

- Account:
- Name:
- Password:
- phoneNumber :
- Email:
- Skype:

A green "Submit" button is located at the bottom of the dialog box. The background interface shows a navigation bar with icons for HOME PAGE, REGISTER, KEY MAKEER, FIRMWAER UPGRADE, 72 83 70 42 DECODE, 96bit 48 DECODE, 96bit AUTHORIZ, and MORE. The status bar at the bottom displays "Handy-Baby II V2.26", "SN: 436225792-189811533-1379021856", "322E3330-02", and "activation".

6.Login after successful registration

The screenshot displays the JMD Handy Baby client V4.5.3 interface. At the top, a green navigation bar contains icons for HOME PAGE, REGISTER, KEY MAKEER, FIRMWAER UPGRADE, 72 83 70 42 DECODE, 96bit 48 DECODE, 96bit AUTHORIZ, and MORE. The status bar indicates "(Not logged in, click login)", "English", and "Unconnected".

A central "Logon JMD" dialog box is open, featuring the following elements:

- Input fields for "E-mail|Account" and "Password:".
- A green "Sign in" button.
- Radio buttons for "phoneNumber :" and "E-mail|Account" (the latter is selected).
- Buttons for "Forget the password" and "Registration".

The background interface is dimmed, showing a red "S-JMD" device and a "FIRMWAER UPGRADE" button. At the bottom, there are icons for "not opened", "96bit 48 DECODE", "96bit AUTHORIZED", and "Extra Functions".
